

Decorated Storefront Window Contest

One business will win this year's traveling Winter Wonderland trophy

Who will it be?

All merchants and businesses in White County are encouraged to decorate their window fronts for the season. Instead of having a specific theme for this year's White County Christmas, we have decided to let you get creative with how you show your holiday spirit!

Please submit this completed entry form via email to chamber@cityofcarmi.com by **Wednesday, November 28th**. Windows will be judged Friday, November 30th and the winner will be announced the following day during the White County Christmas Parade and Tree Lighting.
